### Parking and Entry at the St. Paul Opportunity Center & Dorothy Day Residence

#### When you arrive:

The volunteer entrance to the St. Paul Opportunity Center is located on the east side of the building adjacent to the Catholic Charities Dorothy Day Place parking lot. When you arrive, the door will be locked. Please use the keypad and enter in the code that you were emailed in order to park in the lot. Once inside go immediately to the right and again use the keypad to enter in the code that you were emailed. Proceed down the hallway to the second door on your left, Volunteer Center, which will be unlocked. You will need to sign in, put on a volunteer badge and proceed to the kitchen through the back door (not the one you entered from the hallway). Please do not forget to sign out when you leave.

#### Parking:

Though it appears we have ample parking next to the St. Paul Opportunity Center and Dorothy Day Residence we have increased the number of staff and volunteers that will be onsite. We are encouraging carpooling, ridesharing and public transportation whenever possible. Our campus is located in a concentrated downtown neighborhood and we are doing all we can to provide easy parking for our volunteers, visitors and staff. Please help us out by closely following the instructions below.

**Dorothy Day Place Parking** – The parking lot is adjacent to the St. Paul Opportunity Center Volunteer Entrance and is accessible from St. Joseph’s Lane. Please park in the area marked lot B which is the closest to the entrance, but you may also park in lot A if all slots are taken. You will be emailed a code to enter into the keypad at the entrance of the lot. If all spots are filled in both lots A & B, please make your way to one of the following options below.

**Street Parking** – pay stations are located on every street.
